

# OREGON COAST STEELHEADING TRIP

Join the Henry's Fork Foundation and Water Time Outfitters for 4 days of guided fishing on any of these rivers: Trask, Wilson, Nestucca, Kilches, NF Nehalem, and SF Nehalem. This is the "Fish of 1000 Casts," and it's one of the greatest trophies in fly fishing. Oregon is one of the few places where they're found, and you'll never forget the fight this fish will give you.
