

Henry's Fork Water Quality Update

Things were good this year!

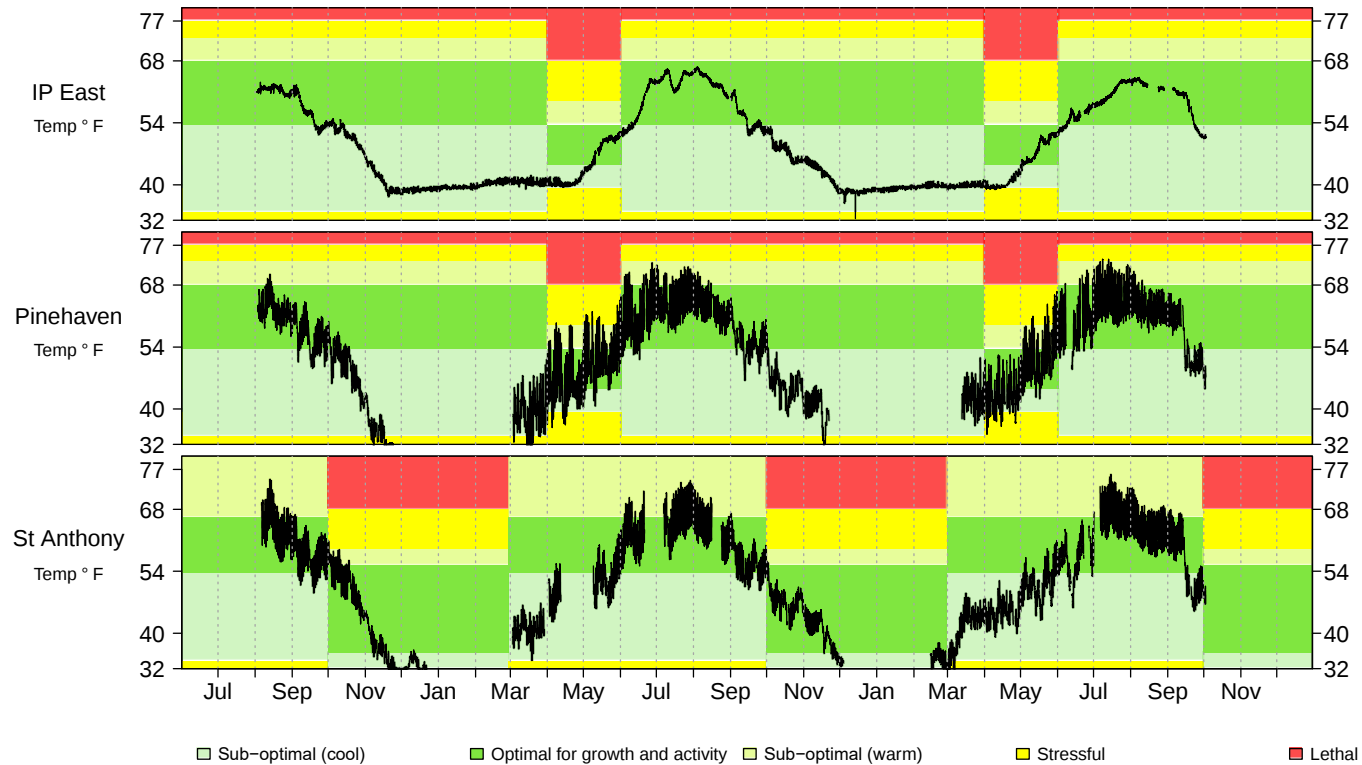

Melissa Muradian, Research Associate
Henry's Fork Foundation

Temperature data 01-01-2017 to 12-31-2017

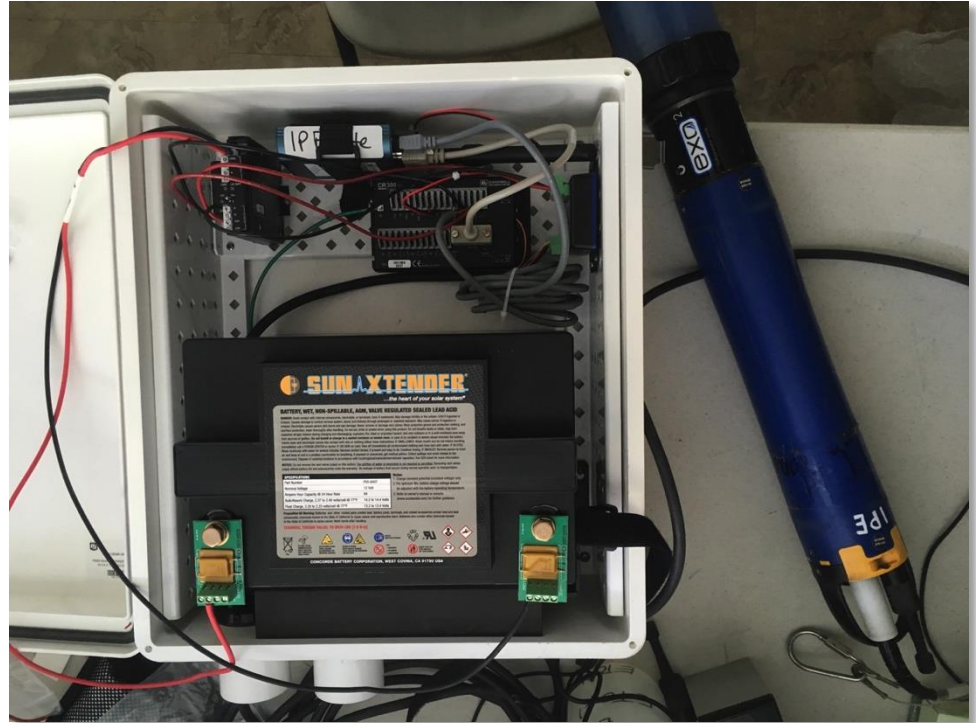

Water temperature was warm, but not stressfully so.

Temperature data 06-01-2015 to 12-31-2017

...And no warmer than the last 2 years.

Real-time water-quality monitoring and data web site

Equipment installed last week at IP Dam!
